FREEDOM SIP

Freedom SIP is a combination of SIP and SWP. You can build your wealth through SIP and later get regular money with SWP. Freedom SIP gives you the freedom to choose your SIP tenure from 8 years, 9 years, 10 years, and other options offered; and you can decide the withdrawal amount you wish to receive later. If you do not mention your SWP amount, you will receive the default SWP amount.

Refer the illustration below for a SIP amount of ₹10.000.

SIP = Systematic Investment Plan, SWP = Systematic Withdrawal Plan.

ICICI Prudential Freedom SIP (the Facility) including the default monthly SWP payouts do not guarantee, assure, promise or indicate fixed returns/performance of any schemes of ICICI Prudential Mutual Fund or under SIP or of the withdrawal under the Facility. The Facility is an optional feature that allows initial monthly investments through SIP in the source scheme, switch to target scheme after a pre-defined tenure and then monthly SWP from the target scheme. The SWP will be processed either till Dec 2099 or till the units are available in the target scheme, whichever is earlier. The default monthly SWP payout amount indicates the likely amount that can be withdrawn. Please read the terms and conditions mentioned in the freedom SIP application form before investing or visit "www.iciciprumf.com" for schemes where Freedom SIP facility is available. ICICI Prudential AMC reserves the right to make changes in the source and target schemes.
